

REMARKS

In reviewing the pending application before payment of the issue fee, it was noted that the "Federally Sponsored Research" information was missing from the specification. As this is a minor matter requiring no further substantive examination, entry of the amendment is respectfully requested.

No extension of time is believed to be necessary and no fee is believed to be due in connection with this Amendment. However, if any extension of time is required, please consider this to be a petition for the appropriate extension and a request to charge the petition fee to the Deposit Account No. 17-0055. No other fee is believed to be due in connection with this Amendment. However, if any fee is due, please charge the fee to the same Deposit Account No. 17-0055.

Respectfully submitted,
Diana M. Downs, *et al.*
